Suggested Applications

- Fine Art & Photographic open and limited edition prints
- Fine Art & Photographic reproduction and restoration
- Portfolios
- Albums
- Black and White Photography

Paper Handling

- Leave papers open to the air to fully dry for a few hours after printing, (24 hours are recommended) and avoid stacking on top of each other straight away.

Storage and Conditions of Use

- The storage of all papers should take place in a recommended climate of 10-25°C, relative humidity of 30 - 50% and out of direct sunlight.
- Do not exceed temperatures of 82°C (180°F) when dry mounting.
- Return unused paper to the original box and store flat. If storing the paper outside the original box, only use archival packaging.
