

G5 CANVAS POLYCOTTON MATT 335

NOVAJETPRO

for creative people

A lighter weight, water-resistant bright white matt polycotton canvas with a fine textured surface.

Suitable for photo reproduction applications with excellent coating technology & crack resistant properties giving the very best pin-sharp results. The cotton content exaggerates the genuine canvas quality feel. Non-cracking and tear-resistant light weight base makes for a hassle free experience when stretching around bars. Outstanding price with a high quality canvas image as the end goal.
